## Oxford Placement Tests

### Revised Edition

Dave Allan

A reliable and efficient means of grading and placing students into levels from Elementary to post-Proficiency.

The tests are divided into a ten-minute listening test and a one-hour grammar test. Each Pack contains forty copies of a test, with a levels chart for placing students relative to the most widely recognized exams.

- Results calibrated to the Common European Framework of Reference Levels (A1–C2), Cambridge ESOL Examinations, and other international examinations.
- Transparent overlays for marking.
- Diagnostic Key for the grammar test.
- User guide.
- Answer keys with *Practical English Usage*, Third Edition references available online.

## The Oxford Online Placement Test

Find your students' language level using a test that you assign online, students complete online and that gives you an instant result... online.

- Results map to the CEFR, plus a score on a scale of 0-120, the time taken, and language ability descriptors.
- Computer-adaptive method of delivery makes it short, yet accurate.
- Use the Learning Management System to place students in appropriate classes based on their results.
- Suitable for *Quick Placement Test* users.

## Online exam practice tests

Help your students improve their exam results with realistic practice tests.

- Assign in Practice Mode with instant support features for your students: automatic marking and instant feedback, online dictionary look-up, exam tips ... and more
- Assign in Test Mode, without support features, to give students an experience of exam conditions.

Online practice  
for KET, PET, FCE,  
CAE, IELTS, TOEIC®  
and TOEFL® iBT

## Learning Management System

Assign tests, track progress and record results with user-friendly administration tools.

- Assign placement or practice tests.
- Track your students assignments and extend their deadlines if necessary.
- View results in the online Markbook, after answers have been automatically marked.
